Re: KBNH(FM), Homedale, ID
R & S Media
FY 2002 Regulatory Fee
Fee Control No. 00000RROG-04-039

Dear Mr. Thompson:

This is in response to your request dated February 23, 2004, filed on behalf of R & S Media for cancellation or waiver of the fiscal year (FY) 2002 regulatory fee for Station KBNH(FM), Homedale, Idaho. Our records reflect that you have not paid the regulatory fee.

You state that "[a]pplicant R & S Media has neither a final construction permit, nor an operating license, nor any other authorization from the FCC." You state that the FCC's issuance of a [construction permit] to the applicant was appealed by Clear Channel Communications and has been pending review in the Audio Division for over three (3) years."

The obligation to pay FY 2002 regulatory fees for FM permits and licenses attached on October 1, 2001.¹ Our records reflect that the Commission granted R & S Media a construction permit for Station KBNH on March 23, 2002, several months after the date on which the obligation to pay regulatory fees attached for FY 2002. We therefore find that R & S Media is not responsible for a FY 2002 regulatory fee for Station KBNH and grant your request for cancellation of the fee. Consequently, Bill number FY03FM0013 will be canceled.

If you have any questions concerning this matter, please contact the Revenue & Receivables Operations Group at (202) 418-1995.

Sincerely,

Mark A. Reger
Chief Financial Officer

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Attn: **Claudette E. Pride, Chief**
Revenue & Receivables Operations Group
Room 1A-821

Dear Claudette:

This will formally request, on behalf of R & S Media, a cancellation of, waiver of and other appropriate relief from the FCC's 2002 regulatory fee that was erroneously assessed against R & S Media in connection with KBNH (FM), Homedale, ID.

Applicant R & S Media has neither a final construction permit, nor an operating license, nor any other authorization from the FCC. (Thus, the FCC's payment code "0250" is not correct.) The FCC's issuance of a CP to the applicant was appealed by Clear Channel Communications and has been pending review in the Audio Division for over three (3) years. See BMPH-20000229ABO.

Please date-stamp the enclosed File Copy and return it in the enclosed stamped, return envelope. Many thanks.

Sincerely,

Robert Lewis Thompson

Subject: RE. yesterday

Hi Tom:

Here is my revised paragraph for Joanne:

In FY 2002, KBNH (FM) was incorrectly coded as a licensed station on our Attachment J listing of radio station call signs. In FY 2003, when the FCC contracted directly with Dataworld, Dataworld's analysis showed that the correct classification for KBNH-FM should have been "CP Off Air" for FY 2002 and FY 2003. Based on the work of Dataworld, the FCC determined in FY 2003 that the "CP Off Air" category was not "fee-able" for purposes of regulatory fees. Therefore, we have determined that KBNH-FM does not owe regulatory fees for FY 2002 or FY 2003.

Good morning Roland & thanks for your time yesterday

I left Joanne a voice mail but here's what I will send her if she asks

KBNH (FM) was incorrectly coded on schedule J in 2002. They are correctly classified as "CP off air" and do not owe regulatory fees for 2002 or 2003.

In 2003 the FCC contractor looked into all call signs with the FCC to determine "fee-able" call signs for regulatory fees. Their review turned up that KBNH(FM) is exempt from regulatory fees.

Please feel free to edit the above & thanks again for your time.
